

# PLEDGE FORM

25 August 2022

At the United Parish Service on 31 July 2022, the Rector outlined his vision about how we look forward to where God is leading us and talked about three specific projects:

Bethel - House of God, Parish Operations Lead, and Youth & Community Worker.

We would like to ask you to join us in prayer as we are discerning the Lord's leading for these projects. As part of the discernment process we invite you to complete a pledge form, where you can indicate **any or all** of these three projects that you would like to support. These projects need to be worked up and so costs are not yet available. The pledges won't be taken up until business plans are agreed by the PCC.
